CERTIFICATE OF RECOGNITION

Presented to:

Construction Employers' Association

WHEREAS, The Construction Employers' Association (CEA) is a premier association in Northern California representing unionized commercial building contractors in collective bargaining, labor relations and legislative advocacy, and

WHEREAS, CEA's membership includes over 100 commercial builders who collectively perform in excess of \$10 billion in public and private construction project volume and employ over 15,000 employees in the State of California annually,

WHEREAS, CEA's sole purpose is to protect and promote the interests of the unionized building industry in Northern California, and

WHEREAS, CEA's Construction Management University Grant Program was established in 1998 to distribute funds in the form of annual grants to deserving California higher education institutions to directly support construction management programs that provide a direct benefit to students, and

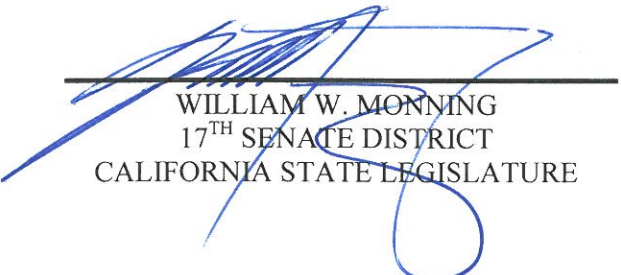

WHEREAS, These grants support and promote quality construction management education for California students, and

WHEREAS, CEA granted \$150,000 in 2012 and has provided \$1,770,574 in grants to universities since 1998; including California Polytechnic State University, San Luis Obispo; California State University, Chico; California State University, Sacramento; California State University, Fresno; University of California, Berkeley; and Stanford University, and

WHEREAS, financial support from the private sector is invaluable to develop California's future construction management workforce, therefore, be it

Recognized by Senator William W. Monning, that the Construction Employers' Association be commended and thanked for their generous support of California higher education in the form of their University Construction Management Grant Program.

Dated this 31st day of January, 2013;

WILLIAM W. MONNING
